

MRCL PROCEDURE CADAVER SUBSTITUTION FORM

AVDC policy: “Under direct supervision of and including review of the specimen by the trainee’s supervisor or other AVDC Diplomate, one cadaver case may be performed by the trainee in lieu of a clinical case, if an indication for such a procedure has not been presented to the trainee and if the trainee has completed all other training requirements and is otherwise ready to submit a Credentials Application”.

Procedure Performed (including MRCL category): _____

Date Procedure Performed: _____

I have not had a patient in which the above procedure was indicated. I performed this procedure on a cadaver under the direct supervision and including review of the specimen by my supervisor or other AVDC Diplomate. I request that this procedure be included in my Minimum Required Case List. I have completed all other training requirements and am otherwise ready to submit a Credentials Application Package.

Signed: _____ Printed Name: _____
Trainee

The above-named trainee performed the above-mentioned procedure under my supervision on the date stated above.

Signed: _____
Supervisor or other AVDC Diplomate

Date: _____
